

ABOUT US

K-Tek International, Inc. was established in 1985, and we strive for professional excellence in all that we do.

Our mission is to be the most trusted supplier of engineered equipment and provider of technical services to the power generation and energy markets. Using our wide portfolio of differentiated products and services, we are committed to understanding our customer's needs and providing them with the most innovative and competitive solutions.

We meet project requirements and schedule while maintaining the highest level of quality and competitive

OUR PRODUCTS

INSTRUMENTATION

Pressure Gauge & Switch | Level Gauge |
Thermometer, RTD & Thermowell | Sight Glass |
Orifice Plate & Assembly | Venturi Tube

VALVES

Forged & Cast | Ball | Gate | Globe | Check |
Bellows Seal | Control | Safety & Relief | Cryogenic |
Desuperheater Spray Valve | Metal-seated Ball Valve

PUMPS

Circulating Water Pump | Boiler Feedwater Pump |
Condensate Extraction Pump | API Process Pump |
ANSI Standard Pump

MOTORS

Medium & High Voltage | 50 & 60 Hz | VFD

FANS & BLOWERS

Centrifugal Fan | Axial Flow Fan | Roots Blower |
Single Stage & Multi Stage Blower

DAMPERS

Diverter | Guillotine | Stack | Louver | Tandem | Butterfly |
Bypass Damper System

PRESSURE VESSELS, TANKS & HEAT EXCHANGERS

Surface Condenser | Air Cooled Condenser |
Shell & Tube Type | Plate & Frame Type | Feedwater
Heater | Deaerator | CCW Heat Exchanger | Intercooler |
Fuel Gas Heater | Reactor | Blowdown Tank | Tower

EXPANSION JOINTS

Metallic | Fabric | Rubber | Flexible Joint

FIN TUBES & ASSEMBLIES

High Frequency Electric Resistance Welded
(Solid or Serrated), Extruded Type, L, or LL Type, KL Type,
Aluminum G Type, Low Fin Type | Tube Bundle

FABRICATION ITEMS

Steel Structure, Duct & Enclosure | Casing & Frame |
Stack & Column

FORGED ITEMS

Nozzle | Flange | Baffle | Tubesheet | Disc | Cover

PRE-FABRICATED PIPE & ASSEMBLIES

Carbon Steel | Stainless Steel | P91 | P92 | P11 | P22 |
Cross-over Pipe Assembly

PIPE HANGERS & SUPPORTS

Constant & Variable Hanger | Sway & Rigid Strut |
Shock Absorber | Mechanical & Hydraulic Snubber |
Cold Support

SYSTEM INTEGRATION

Fuel Gas Conditioning/Treatment System | Custody
Metering | CEMS | Vaporizer | Re-condenser System

SCR CATALYSTS

Honeycomb | Plate | Testing | Regeneration
